## **Alice's Adventures in Wonderland**

### **Chapter 12 Sounds of Wonderland**

**Directions:** After hearing of Alice's strange adventure, her sister dreamed about her. She discovered that many of the sounds Alice heard could have been everyday sounds heard from the garden. Match up the garden sounds to the Wonderland sounds that Alice heard. See page 116 the book for help.

- |                              |                          |
|------------------------------|--------------------------|
| _____ a.) tall grass         | 1.) tinkling sheep-bells |
