GWPM: Gross Words Per Minute
Test 4
(100 words at 5 minutes)

Directions:

1. Open Microtype Pro and sign in.
2. At the menu, open the word processor (the second orange button along the bottom).
3. Type your name at the top of the page. Hit Enter twice.
4. When the timer begins, type the lines below.
5. When the timer stops, print the page.

```
adds adds fall falls dad dads fad fads asks flasks

sales shell asked fled deal sell deed jade lake he

had has she he shall held half sash head hall lash

take these test last date left fast tell felt talk

those look to told took hold loss looked food shoe

lass lass lads lads asks flask falls fads jak jaks

sales deals lease desks keel flake fled flesh safe

she shell shells shall flash flesh head heads half

state feet late staff health test sheet east steel

holds fold joke soft stood sold flood told too took
