1. "Charles Wallace's difference isn't physical. It's in _____."
2. "I guess so," Meg said, but her happiness had fled and she was back in a _____ of anger and resentment.
3. For some reason Meg felt that Mrs. Which, despite her looks and _____ broomstick, was someone in whom one could put complete trust.
4. This feeling of moving with the earth was somewhat like the feeling of being in the ocean, out in the ocean beyond this rising and falling of the breakers, lying on the moving water, pulsing gently with the swells, and feeling the gentle, _____ tug of the moon.
5. They walked in silence. Charles and Fortinbras _____ on ahead.

Name _____

Date _____

6. "With a good deal of difficulty I can usually _____ it, but I doubt very much if her teachers can, or are willing to take the time."

7. There was an air of such _____ peace and joy all around her that her heart's wild thumping slowed.

8. Mrs. Murry smiled at her. "Maybe that's really the point I was trying to put across."
"Yah," Meg said _____.
Her mother smiled again.

9. Silence fell between them, as _____ as the dark tree shadows that fell across their laps and that now seemed to rest upon them as heavily as though they possessed a measurable weight of their own.

10. Just as light and sound had vanished, she was gone, too. The _____ Meg simply was not.
